## Board Meeting Minutes (Nov. 2005)

- submitted by: Sue King

The November 2005 Board of Directors for the South Jersey Region of the Sports Car Club of America, Inc. was held at the home of Jack Oliver on Wednesday evening, November 2, 2005. The meeting was called to order by R.E., J.D. King at 8:20 PM.

Present were: Jack Oliver, Jim Tornetta, Sue King, John Borden, Meg Meyer, and J.D. King.

**Treasurer's Report** – John reported that we have a balance of \$2,000.00, more or less, in the operating account. John was given permission to pay the \$25.00 bill to NE Division Council. Discussion centered on whether we should move the CD's into other venues that might make more interest. John will do the leg work on this.

**Membership** – Meg reported that we have 216 paid members as of the last mailing from National. National is supposed to be sending a separate file of those members who are coming from the SRT program. This program is different from the Subaru program, in that the owners will be the ones that will actively do something to become members.

**Solo II** – John reported that our next events will be held on November 13th and November 20th. John stated that Andre is making the contact to use the Blue Rock Stadium lot. John will try to put aside some time to dig into this new venue. J.D. suggested that we get BMC involved since they have not been doing too much since the lose of the lot at Gloucester County College.

**Thunderbolt** – The Millville Planning Board will be meeting on November 21st. They changed the date so that the whole evening could be devoted to the raceway. This will be a public meeting for the submission of the final site plan for phase one. The next step will be the issuance of a building permit. Jack reported that the Philadelphia Inquirer had an article in the South Jersey section about the positive outlook for the track. J.D. and Jack discussed how best to work along with the track so that we can secure dates for our solo program. J. D. suggested that we be at the November 21st meeting early – roughly 6-6:30 PM.

# Fay Teal Honored at NMSS National Conference

December 2, 2005

Press Release, December 2, 2005

Media, PA, December 2 – **Fay Teal**, a multiple sclerosis patient and the Executive Director of Laps to Conquer M.S., Inc., was inducted into the 2005 National MS Society Hall of Fame for Volunteer Fundraisers during their November 8 - 12 National Conference in Atlanta, Ga.

During induction ceremonies the NMSS stated, “Fay has not let her physical limitations deter her enthusiasm for motor sports. Instead, she has turned this passion into a mission that has had a tremendous impact on the NMSS. Fay has driven over 185,000 miles and raised \$136,000 for the Society in her effort to ‘wave the checkered flag against MS.’ For the past 15 years, Fay has used the One Lap of America, a national road rally, to raise both funds and public awareness about MS. As she and her team drive on for the cure, Fay has become the most public spokeswoman for the disease in the world of auto sports.”

“I was both humbled and honored to even be considered for the Hall of Fame. I’m very thankful to the Society that my effort to increase MS awareness was recognized. Because the main mission of LCMS is multiple sclerosis awareness through motorsports, donations aren’t emphasized,” says Fay Teal. “I’m surprised that my efforts have raised \$136,000 to help conquer this disease.”

“Motorsports has always been a big part of my life. I was getting my competition license, when an MS diagnosis ended my dream,” remembers Teal. “Now I use my motorsports passion to drive toward the checkered flag for MS.”

LCMS, using a Mazda6 Sport Wagon from Baglier Racing, competed in the 2005 One Lap of America—3,500 miles through 14 eastern United States, April 29 through May 7. Each day, a race-track located along the day’s route was used for scored competitions. The LCMS team of Fay & **David Teal**, **Ron Pizor** and **Danny Yanda**, finished 55th overall of the 93 competitors and 9th in the 18 Mid Priced sedan/wagon class. It was Fay Teal’s 19th OLOA and the 17th for LCMS.

**“[Fay] has turned this passion into a mission that has had a tremendous impact on the NMSS.”**

The LCMS Dominion Title Baglier Sunoco Mazda6 then appeared as a Pace/Safety car for 16 amateur road racing and media events from Camden and Millville, NJ; to Summit Point Motorsports Complex, WV; BeaveRun Motorsports Complex, Wampum, PA; Watkins Glen International, NY; and Nelson Ledges, OH.

David Teal competed with the Mazda6 in two South Jersey Region, Sports Car Club of America autocrosses at Atco Dragway, N.J., finishing 2nd in class (June) and 1st in class (July). The LCMS Mazda6

also attended the National Conference of the NMSS in Atlanta, GA.

Fay Teal and David Teal, her husband, started Laps to Conquer MS, Inc., in 1989; to increase multiple sclerosis awareness through motorsports. Since 1989, LCMS has driven over 185,000 miles in the pursuit of the checkered flag for MS. The drive has taken LCMS through 46 of the continental United States during 17 OLOA’s.

While the primary focus is MS awareness, LCMS has raised \$136,000 for the NMSS ([www.nationalmssociety.org](http://www.nationalmssociety.org)). “I’m pleased to have collected this much,” remarks Fay Teal, “but until the checkered flag waves for MS, LCMS will drive on toward the cure.”

**Dominion Title Services, Inc.** ([www.dominiontitleservices.com](http://www.dominiontitleservices.com)), of Vineland, N.J., is a 10-year primary sponsor of LCMS. Dominion Title Services, Inc. provides title insurance for real estate transactions. Other corporate sponsors include Mazda U.S.A. with Baglier Mazda of Butler, Pa.—first-year sponsors providing a Mazda6 Sport Wagon V6—and Sunoco Marcus Hook Refinery ([www.sunocoinc.com](http://www.sunocoinc.com)) of Marcus Hook, Pa. Additional support comes from SunGard Availability Services, and the Friends of LCMS.
