SCCA Regional Races
and
NESCCA / Driving Impressions Pro-IT

The event was held at the Lightning course of the New Jersey Motorsports Park in Millville, NJ on August 23rd and 24th, 2008. The Regional Races consisted of five (5) race groups. The sanction number for the Regional Race is 08-R-277-P. The sanction number for the Pro-IT is 08-R-278-P.

Driving Impressions sponsored the races Pro-IT. Proceeds from the Regional Races will be put towards medical research.

The qualifying session for the Pro-IT was held first thing Saturday morning. Afterwards, one qualifying session for race group in the Regional races was held. The results of the morning session was used to create a grid for the afternoon qualifying race. Finishing positions in the qualifying races determined the grid position for Sunday's races. The Pro-IT race was held on Saturday afternoon.

The weather was warm and dry all weekend. The Lightning race track was designed to be a school course and the facilities aren't well designed for workers. Due to inadequate air/conditioning it was miserably hot and uncomfortable in the small room which into which T&S, the operating stewards and race control are crammed.

Entries were low due to several conflicting races in the NEDiv. This is a new track (only one other SCCA Sanctioned race has been held) and with the low entry, numerous class records were set.

The races ran close to schedule. The five Regional races were 25 laps as published (and amended) with the exception of race group 2 which was checkered early due to on track incidents..The Pro-IT was a 45 minute timed race.

Timing and Scoring ran a crew of 14 on Saturday and 13 on Sunday. Special recognition should go to Jack Oliver, Chief of T&S for SJR who ran the "hot" track Orbits 4 computer; Nancy Huber NNJR, Orbits 4 backup computer; Terry Roberts, Charter; and Bart Carlevaro NNJR, T&S Equipment Chief.
